1 Employers shall ensure that no lifting equipment leaves, is used, or is brought onto his undertaking unless it is provided with either;
(a) an EC Declaration of Conformity made not more than 12-months before the equipment was first put to use, or;
(b) physical evidence that the last thorough examination required to be carried out by the regulations, has been carried out — Reg. 9(1) and Reg. 9(4)

2 Where an employer receives an EC Declaration of Conformity with the lifting equipment, he shall keep the Declaration so long as he operates the lifting equipment — Reg. 11(1)
Employers shall keep a copy of the last Examination Report for 2-years, or until the next report is available, whichever is later — Reg. 11(2)

3 Item 5 may contain a reference to another publication (operator handbook, load chart…), providing that this is kept with the machine, to provide the details concerning the safe working load of the lifting equipment
