B. Declaration

The undersigned, being the duly authorised signatory for and on behalf of Hitachi Construction Machinery (UK) Ltd the importer of the vehicle to which this Certificate relates particulars of which are given In Part A hereof, hereby declares that:

- (a) the said vehicle is a new and unregistered vehicle manufactured/imported into the United Kingdom by this Company.
- (b) this Company has not issued any previous Certificate of Newness or pre-completed a form of Application for a Licence for a New Motor Vehicle and Declaration for Registration (V55/1-4) in respect of the said vehicle.
